Direct Pay Permit

The Georgia Direct Pay Permit is a state issued permit and is subject to the discretion of the tax administrator. Businesses that do not have a permit must apply at the State of Georgia Department of Revenue in order to get one issued. The permit application can be found at the State of Georgia Department of Revenue or by clicking [here](#). If you need a replacement permit, contact State of Georgia Department of Revenue at (877) 423-6711.
