

Washington

Reseller Permit

The Washington Reseller Permit is a state issued permit and is subject to the discretion of the tax administrator. Businesses that do not have a permit must apply at the Washington Department of Revenue in order to get one issued. The permit application can be found at the Washington Department of Revenue or by clicking [here](#). If you need a replacement permit, contact the Washington Department of Revenue at (800) 647-7706.
